Epigenomics AG successfully completes capital increase

Berlin, 7 November 2019 - Epigenomics AG (Frankfurt Prime Standard: ECX, OTCQX: EPGNY) has placed the new shares from the capital increase resolved on October 17, 2019 in an amount of EUR 7,506,152.00. Accordingly, the Company's share capital will be increased from currently EUR 36,021,540.00 by EUR 7,506,152.00 to EUR 43,527,692.00 by 7,506,152 new registered shares of the Company against cash contributions.

The shares from the private placement were allocated to multiple investors, including, in particular, institutional investors from the U.S.A. and Germany.

The gross proceeds from the capital increase amount to approximately EUR 8.3 million.

The capital increase needs to be registered in the commercial register, which the Executive Board will apply for shortly. The inclusion of the new shares under the Company's existing listing (ISIN DE000A11QW50) is currently expected to take place at or around November 13, 2019.

Important Notice

This publication does not constitute or form part of, and should not be construed as an offer or an invitation to sell, or issue or the solicitation of any offer to buy or subscribe for, any securities. The shares will be solely offered on the basis of the published subscription offer and the prospectus approved by the German Federal Financial Supervisory Authority (BaFin – Bundesanstalt für Finanzdienstleistungsaufsicht). The prospectus was published on the Company's website at www.epigenomics.com after approval by BaFin on October 18, 2019. The subscription offer was published on October 21, 2019.

This publication does, in particular, not constitute an offer to sell or a solicitation of an offer to purchase any securities in the United States. The securities referred to herein have not been and will not be registered under the U.S. Securities Act of 1933, as amended (the "Securities Act") or the laws of any state within the U.S., and may not be offered or sold in the United States or to or for the account or benefit of U.S. persons, except that the offered shares may be offered or sold to qualified institutional buyers in reliance on certain exemptions from the registration requirements of the Securities Act and applicable state securities laws. This publication and the information contained herein may not be distributed or sent into the United States, or in any other jurisdiction in which offers or sales of the securities described herein would be prohibited by applicable laws, and should not be distributed to United States persons or by way of publications with a general circulation in the United States. No public offering of the shares is being made in the United States. Subject to certain exceptions, the securities referred to herein may not be offered or sold in Australia, Canada or Japan or to, or for the account or benefit of, any national, resident or citizen of Australia, Canada or Japan. The securities referred to herein have not been and will not be registered under the applicable securities laws of Australia, Canada or Japan.
