We process your personal data in full compliance with the provisions of the EU General Data Protection Regulation (GDPR), the German Federal Data Protection Act (*Bundesdatenschutzgesetz*), the German Stock Corporation Act (*Aktiengesetz*, „AktG“) and all other applicable laws and regulations.

Shares of Epigenomics AG are registered shares („*Namensaktien*“). In the case of registered shares, Section 67 AktG provides that Epigenomics AG as a stock company is obliged to maintain a share register („*Aktienregister*“) of its shareholders including the name, date of birth and address of the shareholder and – in the case of no-par value shares („*Stückaktien*“) – the number of shares being held by a shareholder or the specific share number. In principle, the shareholder is obliged to inform the stock company of this information.

Epigenomics AG generally will receive the shareholders' personal data via the registration office of the custodian bank/credit institution (intermediaries) that the shareholders have entrusted with the safekeeping of their bearer shares (so-called depository bank, „*Depotbank*“). In some cases, Epigenomics AG may receive personal data directly from shareholders.

We use your personal data (e.g. last name and first name, address, email address, number and class of shares, type of ownership of shares, registration information for the online shareholders' portal) as well as personal data of your shareholder representatives, where applicable, for the purposes provided for in the AktG, for communicating with you as shareholder and for

organizing Shareholders' Meetings. Processing of personal data for these purposes is a mandatory requirement under applicable law. The legal basis for the processing of your personal data is the AktG (in particular Sections 67, 118 et seqq. AktG) in conjunction with Article 6 (1) sentence 1 lit. c) GDPR. The legal basis for the processing is Article 6 (1) sentence 1 lit. c) GDPR in conjunction with Sections 118 et seqq. AktG and Section 1 Covid 19 Act.

In addition, data processing activities that are necessary for organisational purposes of our Shareholders' Meeting may be carried out on the basis of overriding legitimate interests (Article 6 (1) sentence 1 lit. f) GDPR).

Further, we use your personal data on the basis of Article 6 (1) sentence 1 lit c) and (4) GDPR for purposes that are compatible with the aforementioned purposes (in particular, for preparing statistics on, for instance, the changes in the shareholder structure, the number of transactions or overviews of major shareholders).

We also process your personal data, where necessary, to comply with other legal obligations, e.g. regulatory requirements, record retention requirements under stock corporation, commercial and tax laws. In the context of the authorization of company-named proxies for the Shareholders' Meeting, for example, we are obligated under the provisions of the German stock corporation law to keep a verifiable record of the data provided as proof of the authorization. In this case, the legal basis for the processing of personal data is the respective legal provisions and Article 6 (1) sentence 1 lit. c) GDPR.

In certain individual cases, we also process your personal data as necessary for the purposes of the legitimate interests pursued by Epigenomics AG (Article 6 (1) sentence 1 lit. f) GDPR). The respective purpose constitutes our legitimate interest.

In our online shareholders' portal, in principle, we only use your personal data for the purpose for which you made the data available to us; for instance, in order to enable you to access the Shareholders' Meeting services including the possibility to attend a virtual Shareholders' Meeting through our online shareholders' portal, for an individual registration or electronic registration, for the documentation of your online registration for the Shareholders' Meeting, for the documentation of online orders (especially admission tickets), for the documentation of votes, for the documentation of your representation by an authorized proxy and any instructions you may have issued, for revocation of an authorization, for the casting of votes by postal voting (where offered), for the submission of questions in advance of a virtual Shareholders' Meeting, for communication in the context of contact and service requests in connection with the Shareholders' Meeting or in order to provide you with access to specific information.
